Member Emergency Contact Information

Our church community cares about you. If something were to happen to you or your family, it is important for those in your community to know how to reach your emergency contacts.

Whether you are single or married, live near family or live many miles away, please consider providing HUUC with information on how to contact the people who know you best.

**Be assured that all of your information will be held in strict confidence.
It will only be accessed in the case of emergency.**
